Veteran business writer Peter F. Drucker's management book, "The Effective Executive: The Definitive Guide to Getting the Right Things Done," has a simple premise: the measure of the executive is his or her ability to "get the right things done." While this is a straightforward idea, it is harder to put into practice than

The Nature of Organization and Management Organization and management is twin terms that exist side by side with each other, each one needs and supports the other. Organizations will be inert and useless if there is no management that will steer it; management will be hollow and meaningless if there's no organization to manage. 3.
