effectiveness. One of the up-to-date approaches is the "Open systems model of work-team effectiveness". It gives you a roadmap of what to consider when creating, managing or working in a team.

Teamwork
effectiveness: benefits
and challenges

Team effectiveness

Download Free Team

Effectiveness refers to the system of getting people in a company or institution to work together effectively. The idea behind it is that a group of people working together can achieve much more than if the individuals of the team were working on their own. The effectiveness of a team is determined by a number of factors.
