Scholars realized for the first time that a striking discovery, possibly of overwhelming importance, had been made. A portion of The Gospel According to Peter appeared to have been restored to the Christian Community after having been lost for ages. But until now, this document has never been made available to the general public.

The Restored Gospel According To Cs Lewis

In the Latter Day Saint movement, the restoration refers to a return to the Earth of the authentic priesthood power, spiritual gifts, ordinances, living prophets and revelation of the primitive Church of Christ after a long period of apostasy. While in some contexts the term may also refer to the early history of the Latter-day Saint religion, in other contexts the term is used in a way to include the time that has elapsed from the church's earliest beginnings until the present day.
